

## Health & Safety Statement

### 1.0 HEALTH & SAFETY STATEMENT

In accordance with the Health & Safety at Work Act of 1974 (Britain), the Health and Safety at Work Order (Northern Ireland) 1978 and in accordance with the Safety, Health and Welfare at Work Act 2005 (Republic of Ireland) Newtown Stewart have developed this Health & Safety Statement which stipulates the responsibilities for each role and the arrangements in place for each of the activities undertaken by the company.

Newtown Stewart Construction Limited is a provider of specialist civil engineering, demolition and building services. We recognize the need to demonstrate effective quality, environmental and health and safety management through a company wide commitment to continual improvement. This is demonstrated through all aspects of our product and service delivery. We seek to minimize risk to health or safety and ensure compliance with all applicable legal and other requirements.

For the management of health and safety we have developed a system of hazard identification and risk assessment with the objective of preventing injury and ill-health.

In order to assist us with our stated aims we continue to put in place the resources to implement and maintain management systems that incorporates the requirements of ISO 45001. The system provides us with a means of monitoring and measuring our health and safety performance and provides a framework for communication, training and the setting of appropriate objectives and targets for the management of health and safety.

We are committed to continual improvement in health & safety performance and with the cooperation & support of our employees and supply chain we have developed a management programme to effectively and efficiently manage and implement a fully resourced Health & Safety Management system.

The SHEQ Manager is responsible for ensuring the control of this and other documents which relate to the ISO 45001 management system. These will be archived in hard and soft copies and will only be subject to change or review by the SHEQ Manager.
